NAME

SYMBOL

As a young fighter, you never sought fame—only to keep your family fed. But when your caravan was ambushed by monsters, you fought back long enough for others to escape. Songs spread like wildfire about your “impossible bravery,” though you still bear the scars. Now everyone calls you a hero, though you doubt you deserve it. With legends mounting against your will, you travel with your allies not for glory, but to prove the songs wrong—or right. If you truly are a hero, it will be at the edge of your blade, when the god of darkness falls.
