NAME

SYMBOL

Born beneath the canopy of a vast forest, you never knew village or kin beyond whispers of “littermates” you cannot recall. You grew up chasing the wind, leaping from tree to tree, hunting the prey the world put before you. Civilization? You found it strange and suffocating, and the rules of others amuse you at best. Yet when the skies cracked with an unnatural god’s influence, the animals grew restless, and even your hunting grounds became spoiled. The others may chase glory or justice, but you follow instinct—you will hunt and harry until the balance of your forest is restored.
