ALLIES & ORGANIZATIONS

She once stood at the top of her class in the prestigious Arcanum Collegium, revered for her sharp mind and tireless curiosity. But when she began speaking of "primordial truths"—forces beyond the Weave, ideas like reality being an illusion spun by a cosmic dreamer—her peers labeled her unhinged. Professors discredited her theories, and she was expelled.

Rather than give in to shame, she embraced exile. With her spellbook, a satchel full of scribbled journals, and a belief that truth is worth more than comfort, she now travels the world searching for lost relics, hidden libraries, and secret places where the veil between knowledge and madness wears thin.

She believes the universe has a purpose, and she must uncover it.
